בסייעתא דשמיא

Dear Daf Yomi *maggidei shiur*,

We are reaching out to you, a select group of *Marbetzei Torah*, who are at the forefront of an unprecedented renaissance of לימוד התורה. By uniting masses of Jews across America and Canada learning the same Daf daily, you have created a "Global Yeshiva without walls."

At this time, we are pleased to offer you a sampling of *Mesivta*\*, a comprehensive digest of information on the Daf, utilizing the format of the *Oz VeHodor Shas*, plus an array of remarkable tools, that will significantly enhance the learning experience for you and the members of your *shiur*.

May we suggest, that you take the time to explore the features of the גמרא. If possible, bring it with you to your *shiur* so that others may sample it.

We would encourage you, wherever appropriate, to designate a "*shiur gabbai*", to arrange for ordering for members of the *shul*. We are offering a free one-year subscription to the *gabbai* who brings in a minimum of eight paid subscriptions.

Feel free to use the enclosed subscription forms as needed. You may print additional copies if necessary.

The גמראות are available in a choice of two formats, a hard cover *full size* edition, covering approximately 40 Blatt or a convenient soft cover pamphlet, *travel size*, that comes out bi-monthly to accommodate various needs.

Please arrange for someone to post the enclosed posters in the *shul*! so we can create the appropriate awareness of this unique *sefer*.

Finally, we want to graciously acknowledge and recognize the **Daf Yomi Commission of Agudas Yisroel of America**, represented by it's Chairman R' **Gedalia Weinberger**, and **Rabbi Avrohom Nisan Perl**, Coordinator, for graciously allowing us to utilize their resources and for their advice and assistance in generating this mailing.

We will א"ה be following up with you in the next couple of weeks to assist you in this endeavor.

We welcome your comments and input and thank you in advance for your time.

\* The samples were mailed separately.
