RABBI  
**HERSCHEL GROSSMAN**  
 MENAHEL

The objective of Yeshivas **OHR YOSEF**, the Mesivta High School of Bergen County, is to inspire our students to achieve a lifelong love and commitment to Torah, and to provide the gamut of skills and tools they need to reach their potential.

**OHR YOSEF** has created an environment in which a warm and nurturing Rebbe-Talmid relationship is paramount ... Where students are given the tools with which to pursue both a higher General Education and a Bais Medrash Program in America or Israel ... Where our students develop great self-confidence and the maturity to make the "right choices"... Where the students expand their horizons as they volunteer and do acts of chesed for the local community.

.....  
 "... A LIFELONG LOVE AND COMMITMENT TO TORAH ..."  
 .....

Such an environment is designed to produce young men who are dignified, positive, capable and articulate; prepared and ready to become responsible and respected adults.

.....  
 "... THE WARM AND NURTURING REBBE-TALMID  
 TEACHER-STUDENT RELATIONSHIP IS PARAMOUNT ..."  
 .....

Yeshivas **OHR YOSEF** has been established and operates under the guidance and educational approach of outstanding educators and teachers, including the revered Rosh Yeshiva, Harav Aharon Feldman, Shlita, of Ner Israel, Baltimore.

.....  
 "... TO PRODUCE YOUNG MEN WHO ARE DIGNIFIED, POSITIVE, CAPABLE AND ARTICULATE  
 IN BOTH LIMUDEI KODESH & GENERAL STUDIES..."  
 .....

Centrally located in New Milford, near Teaneck, New Jersey, **OHR YOSEF** is meeting the growing demand for such a mesivta and serves students from Bergen, Passaic, and Rockland Counties, Elizabeth, Staten Island, Cleveland, Philadelphia and across the United States.

If you have a son entering **9th grade next year** and the **OHR YOSEF** vision resonates with you, please join us for an opportunity to meet with the mesivta's administration at our Open House on **Sunday, November 29th at 2pm, at the Yeshiva's new facility in New Milford.**
